

Information Booklet Cum Training Placement Brochure

Rated
No. 1 for
Academic Industry
Interface

An ISO 9001:2008 Certified Institute
Approved by **AICTE** and affiliated to **WBSCTE**

The Institute

Elite Polytechnic Institute (EPI), a diploma engineering college, established in the year 2009, is run and managed by **Bandel Elite Academy (BEA)**, founded in 2008 under the Societies Act No. XXVI (1961). It is approved by **AICTE** (All India Council for Technical Education) and affiliated to **WBSCTE**.

Location

Nearest Railway Stations : Mogra (1km), Bandel Jn (6km) and Kanchrapara (7km connecting via Kalyani Bridge (Iswar Gupta Sethu).

Mission

Impart industry oriented high quality technical education to develop competent technical human resource through value based holistic methodology & state-of-the-art infrastructure.

Vision

We envisage to build a Centre of Excellence catering to multi-disciplinary technical education keeping pace with the dynamic & rapidly changing global economy for grooming tomorrow's citizens.

Prof. Dr. Debesh Kundu
Principal EPI

Principal's Desk...

"Elite Polytechnic Institute is a private polytechnic institute, approved by AICTE & affiliated to WBSCTE, established in the year 2009 by Bendel Elite Academy. This institute has student strength of near about 2000. We have 6 branches namely AE, CE, CST, EE, ETCE & ME. Our strength is the highly educated and experienced faculties, the spirit and dedication of whom make this institute different from the others. According to representative of AICTE the infrastructure of the institute is almost like degree colleges. Our old students are doing well in all walks of life in industry, academics both in the West Bengal and outside of West Bengal. We hope to nurture your talent to far exceed your dream."

Faculty

The institute has high profile, qualified and distinguished faculties, comprising of both young and experienced (ex-lecturers from Govt. Colleges, JU, CU, BESU, ISI, IIT) in all the departments maintaining a high teaching-student ratio, apart from part-time and visiting faculties from industry.

Library

It is the knowledge hub of the institute with more than 38,000 books, 20GB of technical resources & multiple journals for each discipline, 6 text books are given to each student per semester apart from 2 reference books as per library rules & norms.

Laboratory

The laboratories are well equipped with adequate modern instruments for all experiments included in the curriculum as per **AICTE & WBSCTE** norms.

Some of our Labs : ● Programming Lab ● Advanced CAD Lab ● Electrical Machine Lab ● Micro Processor Lab ● Automobile Engineering Lab ● Civil Engineering Lab ● Analog Electronics Lab ● Computer Networking & Database Lab and many more...

Workshops

The institute has dedicated workshops for Civil, Mechanical, Electrical and Automobile Departments covering 30,000 sq. ft. with all necessary and modern equipments. The Academic and Administrative built up area is almost 7000 sq. ft.

Some of our Workshops : ● Machine Shop ● Fitting ● Carpentry ● Sheet Metal Welding (arc & gas) ● Tin-Smithy Shop.

Courses	Approved Intake		Duration
	1st Shift	2nd Shift	
Civil Engineering (CE)	120	60	3 yrs.
Mechanical Engineering (ME)	120	60	3 yrs.
Electrical Engineering (EE)	120	*	3 yrs.
Electronics & Telecommunication Engineering (ETCE)	60	*	3 yrs.
Computer Science & Technology (CST)	60	*	3 yrs.
Automobile Engineering (AE)	60	*	3 yrs.

*20% seats of approved intake are for VOCLET qualifying students in addition to the approved intake in each course as per WBSCTE norms. 25% seats are reserved as MQ

Syllabi of the above mentioned courses framed by WBSCTE and approved by AICTE would be followed.

Detail Fees Structure : (all in INR)

Semester	First	Second	Third	Fourth	Fifth	Sixth
Tuition Fees	11,000	11,000	11,000	11,000	11,000	11,000
Development Fees	3,500	3,500	3,500	3,500	3,500	3,500
Library	1,500	1,500	1,500	1,500	1,500	1,500
Admission Fees	5,000					
Caution Deposit	1,000*					
Welcome kits	2,000**					
Cultural Prog. Puja etc.	4,000					
Soft skill training Industry interfaces	7,000					
Total Pay	35,000	16,000	16,000	16,000	16,000	16,000

VOCLET Candidates through counselling have to pay Rs. 35,000 at the time of admission and Rs. 16,000 per semester for remaining 4th, 5th & 6th semester

*Refundable after 6th Semester.

**Sports, Extra-curricular activities, ID, Form, Prospectus etc.

* Separate hostel for boy & girls at Bandel - GT Road More
Rs. 3,500 per month including fooding, lodging.

N.B. : NO DONATION NO CAPITATION

Selection Process

In all courses 75% students of approved intake capacity will be admitted on the basis of counselling through JEXPO Central Selection Committee and rest 25% by the institute on the basis of merit & personal interviews through MQ.

Admission Criteria

For MQ : (1) Madhyamik or equivalent exam with at least 35% marks in aggregate and 45% marks altogether in Maths & Physical Science or (2) a valid JEXPO Rank 2016.

For JEXPO & VOCLET : Through JEXPO / VOCLET Counselling.

Age Limite : Not born after 1-7-2002 and Non upper age limit.

Admission Requirement

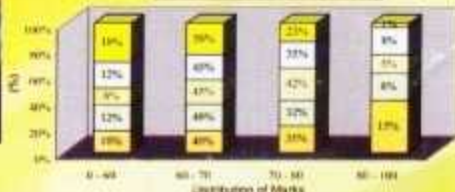

- Attested Copy of Age Proof Certificate (Admit Card or Birth Certificate)
- Attested Mark Sheet of Madhyamik or Equivalent Exam
- Rank Card of JEXPO
- Six Recent Colour Stamp Size Photograph
- Migration Certificate for candidates outside West Bengal

Exam Success Rate & Achievers (3rd & 5th Semester) :

5 th Semester			3 rd Semester		
	Name	Percentage (%)	Department	Name	Percentage (%)
1	Avishkek Halder	77.6	AE	Priyanshu Singh	84.1
2	Snehasish Bera	85.6	CE	Pritam Das	80.5
3	Shinjini Ghosh	86.5	CST	Rini Paul	86.3
4	Mulayam Yadav	80.1	EE	Tuhin Pal	87.5
5	Srnita Biswas	84.4	ETCE	Somnath Das	89.4
6	Soumen Mondal	81.4	ME	Abhishek Kumar Giri	85.8

WBSCTE Exam Success Rate : 2016-17

□ CE □ EE □ ETCE □ CST □ AE

Salient Features

Faculty student ratio as per AICTE norms ● Soft skill, GD & Personality Development Lab implemented by CACM, IIT Kgp ● Resource centre for STP project by IIT Mumbai Internet connectivity of 10 mbps ● Eco-friendly wi-fi Campus ● Excellent result in WBSCTE Exams ● Industrial visit ● Placement in Corporate & Blue Chip companies ● Large Football & Cricket Group ● Xerox ● Canteen ● Tie up with Nursing Home for Medical facility Annual Sport ● Cultural Program, Free Lateral Entry Coaching (JELET)

Conveyance

Free College Bus : From Bandel & Kanchrapara Railway Stations & Hostels.

Hostel

Separate hostels for boys and girls with 24 hours security and water supply.

Training-Placement Desk...

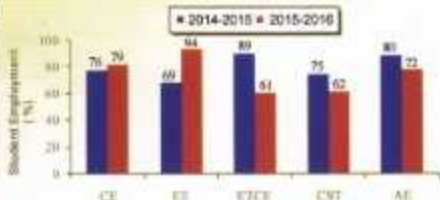

Motto : Guide and Train our Students to compete and overcome vivid challenges of everchanging industrial environment.

We believe in equal opportunity and hence has setup a rigorous academic framework along with tailor-made training and soft skill programmes to develop hardworking, discipline and sincere technocrats.

In a short span of 4 years, EPI has established itself among the top few diploma engineering colleges in West Bengal in terms of Training & Placement apart from academic excellence. This has only been possible owing to constant endeavour of our highly energetic, dynamic and professional team of dedicated Training & Placement Cell. Our Training-Placement record boast of our achievement.

EPI : Placement Record

Placement Allocation

Training Programmes at a glance :

- ✓ 5 Training Programmes (On Campus/Industrial) for each student (After semester examination)
- ✓ Seminars & Technical workshops
- ✓ Special Training for crack Interview
 - Aptitude & Technical Written Tests
 - Group Discussion & Soft Skill
 - Mock Interview
- ✓ Industry level Training on Auto CAD for CE, ME & EE students
- ✓ PLC Training for ETCE, CST & EE students
- ✓ Networking Training for ETCE students
- ✓ PHP, My-sql Training for CST students
- ✓ Faculty Development Programmes
- ✓ Resource Centre for Spoken Tutorial Workshops of IIT, Bombay

As a result we fell honoured to join hands with near about 100 companies.

Seminars & Workshops

Under the leadership of cooperative management and able guidance of the faculty members, EPI has successfully organized several workshops which is a place for innovative experimental learning for all students. Students are generally encouraged to participate the seminars so as to identify and improve their Creative skills and technical knowledge. The students are also frequently to the industrial sites so as to impart on site training.

Past Events...

- National seminar by Prof. S.S. Alam, Vice Chancellor, Allah University.
- Seminar on Micro Processor by Prof. Satadal Mal, Kalyani University.
- Seminar on Cement & Concrete overview by Ultratech Cement.
- Seminar on Latest technology and safety precaution of two wheeler vehicles by Honda two wheeler.
- Spoken tutorial workshop (online) by IIT Bombay.
- Workshop on latest technologies used by Ford.
- Special workshop by the professionals from different industries for cracking interview.

and many more...

In addition to this each department of Elite Polytechnic Institute organized national seminars for each department every year (AICTE sponsored under QIP)

Exhibitions :

At EPI we organize Science and Engineering Exhibition every year as a part of successful institutional development strategies involving all stakeholders of well wishers of the institute. Through this Exhibitions and Science Fairs we intend to motivate the students, to showcase their innovative projects and above all the develop a zeal to make a difference in society at large. We also encourage participation from local schools & colleges and techno enthusiasts at Science and Engineering Exhibition which will affect their future preferences and career aspirations apart from development their scientific interests.

Dr. Girish Aren
Director, MACWIN INDIA

What Employers' Say...

"It is glad to inform you that your Ex-students are working as Service engineers with us and are working hard and growing for international standard. We are happy with and wish all the success to your Ex-students and all other new joining candidates."

Raju Karmakar
T T S, Manager
UltraTech Cement Ltd

"I was done a one day work shop on "Cement and Concrete overview" with students of Civil engineering department at EPI campus. I found very modern campus infrastructure with good level of knowledge of the students. I hope some of them will join us very soon."

Ashok Kr. Panda
Technical Officer
ABW

"At the outset of my visit to your premiere institute, it gives me pleasure to intimate you that your esteem institute progressing quite well professionally as well as ethically. Further the leadership of the management for smooth running of technical activities as well as upbringing for the students as quite commendable, hope the institute will be a leading diploma college of the state. My best wishes are always with you for a good cause remaining sincerely."

"It is needless to say the technical strength and knowledge regarding the subject of the students are up to the satisfactory level. As per as moral character and discipline is concerned, I think the student expressed me satisfactorily. I hope the students of the institute would have a bright career in their near future."

Surajit Dhar
Officer
UDSD

Pathikrit Naha
General Manager
Keventer Agro Ltd.

"We are recruiting mass number of students from this college for last 2 years. They all are working in responsible positions & their performance is satisfactory. Their knowledge and dedication towards the job is excellent. The college maintains good infrastructure & qualified facilities. In future also we will be recruiting more students in different up-coming projects."

Achievers' Voice

SOURAJIT SAMADDER
Electrical Engineering
Mahindra Satyam

"I thank my institution for educating me in the field of electrical engineering and for providing me a satisfying job at Mahindra Satyam."

"I am feeling very lucky to get an opportunity to study Automobile Engineering at Elite Polytechnic Institute which gave me a job at Brembo Brake, Pune."

SURAJIT SADHUKHAN
Civil Engineering
Mining & Engineering Corp.,
Advance Informatics Ltd

"I will join Macwin India completion of the final semester exam. The mock aptitude, technical tests and interview session helped me to prepare myself for campus interview. Thanks a lot to the Faculty members, Training Placement Officer and College authority."

ABHISHAKE MAJUMDER
Computer Sc. & Technology
HCL Infosystem Ltd

"I am very grateful to the college authority to get the job through college campusing."

SAIKAT SEAL
Civil Engineering
Paharpur Cooling Tower Ltd,
Advance Informatics Ltd.

"It's pleasure and satisfaction for me to get the job by college campusing. Thanks to the college authority."

RANA MUKHERJEE
Automobile Engineering
Brembo Brake Ltd.

"I have got two jobs – one at The Mining & Engineering Corporation and the other at Advance Informatic Ltd. It would not be possible without the help of the faculties and training & placement cell of my college"

SOUMIK PRAMANIK
Electronics & Telecommunication
Engineering
MacWin India, Simoco System &
Infrastructure Solution Ltd.

"I had a fear to talk as I was not fluent in English. But with the help of our Advance Communication skill lab (designed by the collaboration with IIT, Kharagpur) and the respective Faculty members, I crack the interview of HCL, Info system, Thanks a lot my college."
